

The Vista Royale Community Association has contracted for bulk cable services entitling you to receive Comcast's digital video programming along with the use of one (1) standard digital converter and (1) remote control for Comcast Digital Starter tier of service. It also includes Comcast's Video On Demand service, MoviePlex and some additional channels from the CableLatino package. Comcast will also be providing up to two (2) DTA adapters that will receive the limited and expanded basic services. Installation is **NOT** included in the bulk cable services.

Additional services, (such as more channels, HD, box upgrades, phone, internet), can be added to your Comcast account. Any services beyond those covered in the bulk cable package will be billed directly to you.
